

2018 Northwestern Ontario
Visionary Awards

Nomination Submission

Introduction

SHIFT: Thunder Bay's Young Professional Network is excited to celebrate the rich array of young talent in Northwestern Ontario. We are encouraging nominations to assist us in identifying 20 young professionals worthy of recognition who are less than forty years of age. A panel of judges from across the region will review all entries and select the top 20 candidates. All individuals will be publicly acknowledged at a special awards gala on January 27th, 2018 at Victoria Inn, and recognized on the SHIFT website. Please take some time to nominate a young leader in your region and help us celebrate their contributions!

Entry Process

Entries are open to all public & private sector young leaders under the age of 40 (as of December 31, 2017).

Please note that employees or board directors of SHIFT Thunder Bay's Young Professionals Network are ineligible for nomination, as well as committee members.
